ABOUT HEALTHCARE ASSOCIATION OF HAWAII:

The Healthcare Association of Hawaii’s 125 member organizations include all of the acute care hospitals in Hawaii, the majority of long term care facilities, all the Medicare-certified home health agencies, and nearly all hospice programs. The primary focus of HAH is working with health care executives and their 20,000 employees on vital industry issues such as advocacy (in DC and Hawaii), quality and reimbursement improvement, strategic education, emergency preparedness, public relations, shared savings and reducing costs. For more information, visit HAH.org.
