

DIRECTOR OF ASSISTED LIVING

Excellent opportunity for a full-time **Director of Assisted Living** to manage the services for a large 41-bed Assisted Living and 22-bed Memory Support unit at The Hi'olani Care Center at Kahala Nui. While overseeing a staff of 50 licensed Nurses and Resident Care Assistants, the Director of Assisted Living is responsible for ensuring the highest level of person-centered care and service for up to 63 residents.

The ideal candidate would have either an RN or LPN license, a Masters of Social Work, or an Assisted Living Administrator's certification; previous management experience in a healthcare setting; and a passion for working with seniors.

Competitive compensation package includes full benefits such as 100% employer paid medical, drug, vision, dental, and life insurance; company-matched 401(k), a generous Paid-Time-Off plan, free parking or employer-subsidized bus pass, tuition reimbursement, free fitness center access, discounted employee meals, and much more!
