A Positive Approach[®] To Dementia Care

The Healthcare Association of Hawaii, in collaboration with Hale Ku'ike, is proud to present this 1-day conference with nationally-recognized dementia expert, Teepa Snow.

HAH's **160 member organizations** represent almost every aspect of the health care continuum in Hawaii. Members include acute care hospitals, skilled nursing facilities, assisted living facilities, type II expanded adult residential care homes, home health agencies, and hospice agencies. In addition to providing access to appropriate, affordable, high quality care to all of Hawaii's residents, our members contribute significantly to Hawaii's economy by employing over 20,000 people statewide.

HAH's weekly newsletter has a distribution of over 1300 individuals and organizations focused on the healthcare industry.

Sponsorship opportunities are limited and open on a first-come, first-serve basis. To become a sponsor of this event, contact Lori Henning at henning@hah.org or (808) 521-8961.
