

Full-Time Home Health RN - NOT Private Duty

Ohana Home Health is a licensed Medicare & Medicaid intermittent skilled home health agency. We are ruled by the Conditions of Participation by CMS. We provide skilled home health services on Kauai. Our support team includes office/back office staff (Medical Biller and Coder, Intake Specialist, RN Clinical Manager) and supportive Therapy field staff (RNs, PTs, OTs and SLPs) as well as CNAs.

Presently we have a need for a Full-Time Hawaii State licensed Registered Nurse, with experience doing OASIS Data Collection. This position has potential for upward mobility within our Agency as our Clinical Manager will be retiring in 3 years.

The ideal candidate has experience as a home health RN and/or acute care experience in a hospital; he/she is compassionate and detail oriented and has experience with wound care. We do provide a detailed and tailored orientation to make sure you have the training necessary to be successful. Our agency provides iPads to all field staff, using a cloud-based medical software (Kinnser).

You may want to familiarize yourself with our Agency by visiting our FAQ page. www.ohanahomehealth.com We want this job to be a win-win; where you feel valued and our clients and staff feel supported.

Other qualities we appreciate:

Humor

Attention to detail

Team player

Punctuality

Computer literacy

Good phone presentation.

Proven organizational ability. If you aren't organized, you will be very unhappy here.
