**OBJECTIVES:**

1. Enhance knowledge of environment of care, life safety, and emergency management operations.
2. Identify the changes related to the Joint Commission's standards and survey process for 2018 and incorporate relevant improvements into your organization's ongoing survey readiness activities.
3. Apply appropriately the relationship between The Joint Commission and the Centers for Medicare and Medicaid Services (CMS) as to distinguish between accreditation and deemed status in your healthcare setting(s).
4. Implement strategies for complying with new and challenging standards in your practice setting(s).
