Program Purpose

This educational program will provide healthcare professionals with information on the latest scientific updates and guidelines, technology, and thought-provoking topics to improve patient care related to cardiovascular and stroke issues. The long-term effect of the workshop will be to help promote improvement in the quality of care, improve outcomes, and quality of life for all patients.

Target Audience

The target audience includes physicians, physician assistants, nurses, nurse practitioners, pharmacists, emergency medical services (EMS) personnel, and radiologic technologists. Sub-specialties include neurology, cardiology, emergency medicine, telemetry, critical care, medical/surgical, intensive care, and rehabilitation.

CE Credits

7.00 continuing education credits available for physicians, physician assistants, nurses, nurse practitioners, pharmacists and EMS personnel.

Course Learning Objectives

Attendees will be able to:

- List two examples of how the stroke patient population will benefit from the healthcare provider's adherence to the American Heart Association/American Stroke Association guidelines.
- Describe two possible system-wide solutions to improve patient outcomes.
- Describe two rapidly evolving advances to prevent and treat stroke.
- Provide two examples of how to use a patient-centered narrative as a means to provide a culturally appropriate way of communicating heart disease awareness and education among patients in Hawaii.
- Identify two therapies used to reduce stroke risk in patients with atrial fibrillation.

In support of improving patient care, this activity has been planned and implemented by the American Heart Association. The American Heart Association is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

AMA Credit Designation Statement - Physicians

The American Heart Association designates this live activity for a maximum of 7.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA Credit Acceptance Statement – Physician Assistants

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 7.00 hours of Category I credit for completing this program.

AANP Credit Acceptance Statement – Nurse Practitioners

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME. ***AMA Credit must be claimed within 6 months of attendance. Credit will no longer be available to claim after August 9, 2019.*

ANCC Credit Designation Statement - Nurses

The maximum number of hours awarded for this CE activity is 7.00 contact hours. ***ANCC Credit must be claimed within 6 months of attendance. CME/CE will no longer be available to claim after August 9, 2019.*

ACPE Credit Designation Statement – Pharmacists

ACPE Credit: 7.00 Contact Hours. Universal Activity Number: JA0000134-0000-19-002-L04-P***ACPE Credit must be claimed within 30 days of participation. ACPE credit will no longer be available to claim after August 9, 2019.*

Continuing Education Accreditation – Emergency Medical Services

This continuing education activity is approved by the American Heart Association, an organization accredited by the Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE), for 7.00 Advanced CEHs, activity number 19-AMHA-F1-0002. By claiming CAPCE credit, the claimant acknowledges the following: I understand that the American Heart Association as a requirement of CAPCE accreditation will submit a record of my course completions to the CAPCE AMS. I further understand that my course completion records may be accessed by or shared with such regulators as state EMS offices, training officers, and NREMT on a password-protected, need-to-know basis. In addition, I understand that I may review my record of CAPCE-accredited course completions by contacting CAPCE. ***CAPCE credit must be claimed within 6 months of attendance. CME/CE credit will no longer be available to claim for this activity after August 9, 2019*
