OBJECTIVES:

1. Enhance knowledge of infection prevention and control, environment of care, life safety, and emergency management operations.

2. Identify the changes related to the Joint Commission’s standards and survey process for 2019 and 2020 to incorporate relevant improvements into your organization’s ongoing survey readiness activities.

3. Learn to apply standards to real-life scenarios through group sessions.

4. Learn strategies for complying with new challenging standards in your practice setting(s).
