WHY CONTRIBUTE?
You can make an impact by supporting those who support healthcare.

The Healthcare Association of Hawaii (HAH) has a Political Action Committee (PAC) that makes contributions to influence the election of candidates to political office. The Committee follows the regulations set forth in Hawaii Revised Statutes section 11-191.

HAH established the HAH PAC to complement the legislative liaison activities through which staff, CEOs, administrators, and others provide state lawmakers with information on key issues that are of interest to the healthcare industry.

With your contribution you can assist in the election of officials who help pass or defeat legislation, and influence regulations that affect your organization every day. The HAH PAC needs your personal contribution in order to be an even more effective advocate for members.
How do I make a contribution?
All contributions must come from a personal account – not a corporate account – and are not tax deductible. Make checks payable to:

HAH PAC
707 Richards Street, PH2
Honolulu HI 96813

If you would like to solicit funds from others, you must use personal stationery or ask for HAH letterhead. Corporate funds must not underwrite PAC fundraising mailings.

What if I would like additional resources or have questions?
If you would like brochures, a fundraising packet, fact sheets, a presentation by HAH, or to have your questions answered, please contact Paige Heckathorn at pac@hah.org or 808-521-8961.

FAQ

How is the HAH PAC different from the federal PACs?
The PACs of HAH's national affiliates – the American Hospital Association and the American Health Care Association – support candidates in federal races. The HAH PAC can contribute only to state candidates.

Checks written to the HAH PAC will be used only for HAH PAC contributions. No money goes to candidates in federal races. You can contribute to federal races via national PACs separately.
